

Australian Government
Department of Defence

You are invited to submit a proposal in response to RFP to provide a tender for project Developing Situational Awareness in the Information Environment

This RFP has been prepared and comprises:

- a. Cover Letter – This Document; and
- b. Statement of Work – Call for Proposals Document; and
- c. Request for Proposals Conditions - provides information about the conduct of the RFP process and includes the RFP assessment criteria and assessment process; and
- d. Tender Response Template - contains detailed questions on your proposed innovation and business which you must complete as part of your proposal; and Draft Research Agreement (Industry / University); and
- e. Defence Science Partnering Deed Terms (DSP 2.0) – contains header terms for Universities under the DSP; and
- f. Draft DSP Research Agreement – Example schedule under the DSP; and
- g. Request for Proposals – Glossary.

Proposals are to be submitted by the Proposal Closing Time specified in clause 12.1 of the Conditions of Proposal. Any questions in relation to this RFP should be directed to the Contact Officer specified in clause 8 of the Conditions of Proposal.

Subject to the conditions of proposal, the proposed procurement schedule for evaluation is:

Evaluation: 28 January – 9 February 2023

Contract Negotiations: 10 February – 17 February 2023

Respondents should note that the above schedule is subject to change at any time and is not to be relied on as final and definitive.

Yours sincerely

Mr Glenn Burgess
